龍魂國際貿易有限公司—傳承李小龍宗師的武術大道之魂

「龍魂國際貿易有限公司」的起源，來自於長年推廣李小龍宗師截拳道傳承的「台灣截拳道概念」館長陳志榮。陳館長為台灣首位獲得李小龍宗師嫡傳伊魯山度大師、及其弟子Salem Issli師傅共同簽署認可之國際教練證書第一人，提倡將武術融合於日常生活當中，將武術融合於日常生活當中，期望無論於道德理念、或防身自衛等層面都能夠真正讓自我有所成長。

陳館長開設道多年，在開班授課的過程中時常會使用到各種刀具棍棒來指導學員進行武術練習，然而向外購買的刀劍來源良莠不齊，品質不加的訓練刀劍將使武術訓練成效打折扣、甚至可能在對練過程中斷裂而使練習者受傷。為了提升武術訓練過程中學員的安全與練習成效，陳館長一再思索該如何能確保這些訓練刀劍的品質？幾經考量，決心自行尋覓優質工廠來研發製作穩定耐用的訓練刀劍。

迄今，龍魂國際貿易有限公司與台南的直營工廠合作所生產研發「Dragon Steel」台製安全塑鋼練習武器用具系列，由於品質優良耐用，已供應至世界各地與大陸區，提供多家武館、軍警訓練單位及個人居家防衛使用，別在歐美地區廣受好評，每月可達近萬支數的訂單。

未來，龍魂國際貿易公司將不忘初衷，以更高品質、更安全穩固、更耐衝擊的優質訓練武器產品，持續在武術訓練的專業領域深耕，推廣並傳達李小龍宗師之透過武術學習，更了解自我並朝向生命真諦追尋的坦蕩大道理念精神！

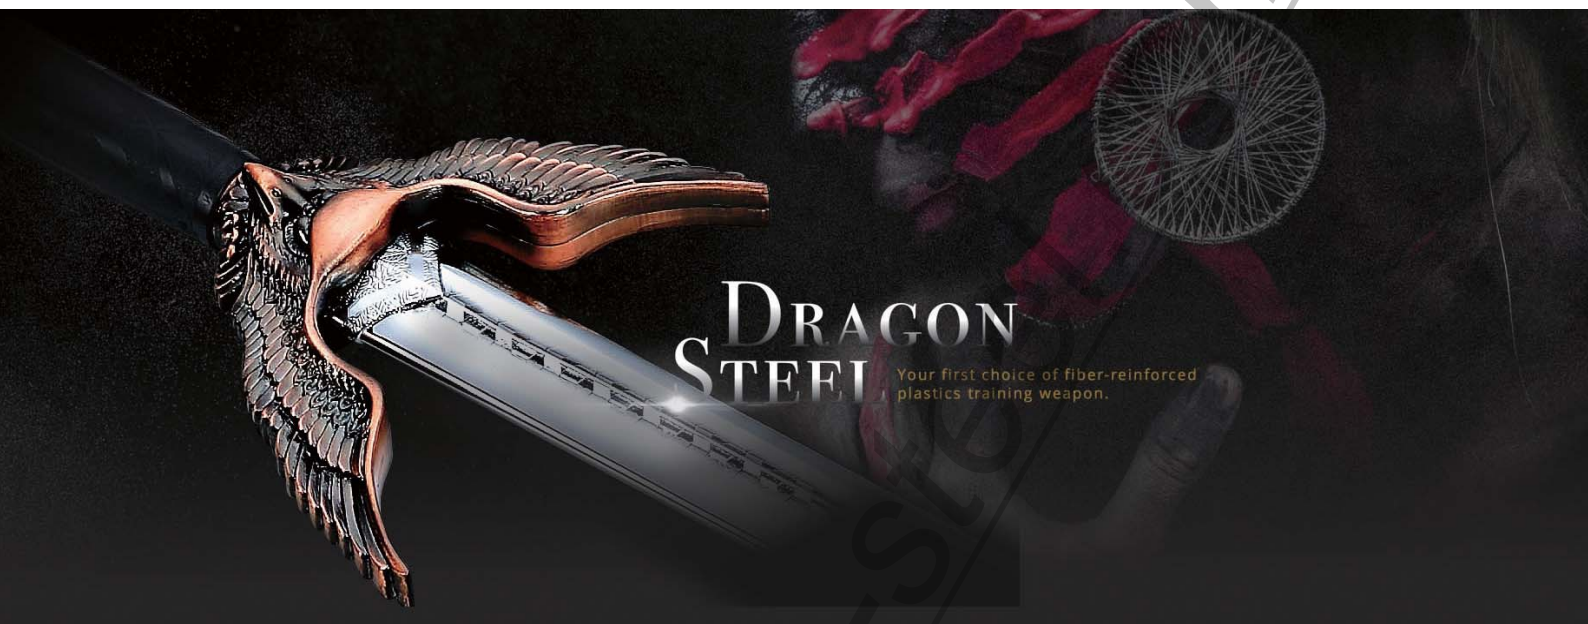

Dragon Spirit International Trading Company – The spirits of Martial Art passed down from the great master, Mr. Bruce Lee

Dragon Spirit International Trading Company was established by Mr. Kenny Chen, the leader of the Jeet Kune Do Concept & Kali Taiwan. Mr. Kenny Chen has been promoting Jeet Kune Do, a martial art form that was passed down by Master Bruce Lee. Mr. Kenny Chen became the first person to be admitted by Master Dan Inosanto – the successor of Master Bruce Lee, and his student Shifu Salem Assli – as an international instructor.

Mr. Chen devotes himself in promoting martial arts and its integration into daily lives in terms of ethics and self-defense. Mr. Chen has been running a martial art school for years and he often incorporates different kinds of weapons, such as knives, sticks, and swords in classes. However, the qualities of the weapons purchased outside were frequently inconsistent and the training weapons in poor quality made the training process less effective, with poor quality tools students also were at risk of being injured. Concerned with the quality of students' learning progress and safety, Mr. Chen decided to find a superior factory to develop durable quality training weapons on his own.

Dragon Spirit International Trading Company works with a direct factory in Tainan, Taiwan to produce a series of safe fiber-reinforced plastics training weapons. We have been supplying our quality products to many martial art institutes, police and military units and families for personal self-defense. Our products are highly praised especially by customers in Europe and the America regions, and we receive orders for as much as ten thousand pieces each month.

Dragon Spirit International Trading Company will continue to strive to produce safer and stronger quality training tools. Our mission is to promote Master Bruce Lee's idea to seek one's true self, and through Martial Art Learning, finding the meaning of life.
